McCracken County Board of Education: Kentucky Model Procurement Code Guidelines for Bids

The McCracken County Board of Education has adopted the Kentucky Model Procurement Code, KRS 45A.345 to 45A.460. The code can be reviewed at <http://www.lrc.ky.gov/KRS/045A00/CHAPTER.HTM>. The Board, all bidders, and all contractors must comply with all provisions of that code, including, but not limited to the following:

45A.343 Local public agency may adopt provisions of KRS 45A.345 to 45A.460 -- Effect of adoption -- Contracts required to mandate revealing of violations of and compliance with specified KRS chapters -- Effect of nondisclosure or noncompliance.

(1) Any local public agency may adopt the provisions of KRS 45A.345 to 45A.460. No other statutes governing purchasing shall apply to a local public agency upon adoption of these provisions.

(2) After July 15, 1994, any contract entered into by a local public agency, whether under KRS 45A.345 to 45A.460 or any other authority, shall require the contractor and all subcontractors performing work under the contract to:

(a) Reveal any final determination of a violation by the contractor or subcontractor within the previous five (5) year period pursuant to KRS Chapters 136, 139, 141, 337, 338, 341, and 342 that apply to the contractor or subcontractor; and

(b) Be in continuous compliance with the provisions of KRS Chapters 136, 139, 141, 337, 338, 341, and 342 that apply to the contractor or subcontractor for the duration of the contract.

(3) A contractor's failure to reveal a final determination of a violation by the contractor of KRS Chapters 136, 139, 141, 337, 338, 341, and 342 or to comply with these statutes for the duration of the contract shall be grounds for the local public agency's:

(a) Cancellation of the contract; and

(b) Disqualification of the contractor from eligibility for future contracts awarded by the local public agency for a period of two (2) years.

(4) A subcontractor's failure to reveal a final determination of a violation by the subcontractor of KRS Chapters 136, 139, 141, 337, 338, 341, and 342 or to comply with these statutes for the duration of the contract shall be grounds for the local public agency's disqualification of the subcontractor from eligibility for future contracts for a period of two (2) years.

45A.395 Determination of responsibility -- Right of nondisclosure.

(1) A written determination of responsibility of a bidder or offeror shall be made, based on a reasonable inquiry conducted by the local public agency. The unreasonable failure of a bidder or offeror to promptly supply information upon request may be grounds for a determination of nonresponsibility of such bidder or offeror.

(2) A written determination of responsibility of a bidder or offeror shall not be made until the bidder or offeror provides the local public agency with a sworn statement made under penalty of perjury that he has not knowingly violated any provision of the campaign finance laws of the Commonwealth and that the award of a contract to the bidder or offeror will not violate any provision of the campaign finance laws of the Commonwealth. "Knowingly" means, with respect to conduct or to a circumstance described by a statute defining an offense, that a person is aware or should have been aware that his conduct is of that nature or that the circumstance exists.

(3) Except as otherwise provided by law, information furnished by a bidder or offeror pursuant to this section may not be disclosed outside of the local public agency without prior written consent of the bidder or offeror.

45A.400 Prequalification of bidders and offerors.

Suppliers may be prequalified as responsible prospective contractors for particular types of supplies, services, and construction. No supplier shall be prequalified as a responsible prospective contractor until the supplier provides the local public agency with a sworn statement made under

penalty of perjury that he has not knowingly violated any provision of the campaign finance laws of the Commonwealth and that the award of a contract to the supplier will not violate any provision of the campaign finance laws of the Commonwealth. "Knowingly" means, with respect to conduct or to a circumstance described by a statute defining an offense, that a person is aware or should have been aware that his conduct is of that nature or that the circumstance exists. Solicitation mailing lists of potential contractors of such supplies, services, and construction shall include, but shall not be limited to, such prequalified prospective contractors. Prequalification shall not foreclose a written determination:

- (1) Between the time of bid opening or receipt of offers in the making of an award that a prequalified prospective contractor is not responsible; or
- (2) That a prospective contractor who is not prequalified at the time of bid opening or receipt of offers is responsible.

- (2) It shall be a breach of ethical standards for any person to offer, give, or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept, or agree to accept from another person, a gratuity or an offer of employment, in connection with any decision, approval, disapproval, recommendation, preparation of any part of a purchase request, influencing the content of any specification or purchase standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling or other determination, claim or controversy, or other particular matter, pertaining to any contract or subcontract and any solicitation or proposal therefor.
- (3) It is a breach of ethical standards for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.
- (4) The prohibition against conflicts of interest and gratuities and kickbacks shall be conspicuously set forth in every local public agency written contract and solicitation therefor.
- (5) It shall be a breach of ethical standards for any public employee or former employee knowingly to use confidential information for his actual or anticipated personal gain, or the actual or anticipated personal gain of any other person.

The Board, all bidders, and all contractors must comply with all provisions of KRS 45A.490 to 45A.494, (copies of which can be found at the government website set about above) including, but not limited to the following:

- (4) If a procurement determination results in a tie between a resident bidder and a nonresident bidder, preference shall be given to the resident bidder.
- (5) This section shall apply to all contracts funded or controlled in whole or in part by a public agency.
- (6) The Finance and Administration Cabinet shall maintain a list of states that give to or require a preference for their own resident bidders, including details of the preference given to such bidders, to be used by public agencies in determining resident bidder preferences.
