ADDITIONAL TERMS AND CONDITIONS

1. GENERAL SCOPE OF COVERAGE. This agreement covers both the labor and the material for adjustments, and replacements of the parts necessitated by normal use of the equipment except as hereinafter provided. Damage to the equipment or its parts arising out of misuse, abuse, negligence, or causes beyond WESTERN BUSINESS' control are not covered. In addition, WESTERN BUSINESS may terminate this agreement in the event the equipment is modified, damaged, altered, or supplies not authorized by WESTERN BUSINESS are fitted to the equipment.
2. SERVICE CALLS. Service calls under this agreement will be made during normal business hours at the installation address shown on the front of this agreement. Normal hours for WESTERN BUSINESS are from 8:00 a.m. to 5:00 p.m., Monday through Friday.
3. EXTENT OF LABOR SERVICE. Labor performed during a service call includes lubrication and cleaning of the equipment, if necessary, and the adjustments, repair or replacement of parts described in paragraph 4.
4. REPAIRS AND REPLACEMENT OF PARTS. All parts necessary to the operation of the equipment, with the exception of excluded parts listed, and subject to the general scope of coverage, will be furnished free of charge during a service call included in the maintenance service provided by this agreement.
5. CHARGES. The initial annual charge, or the monthly charge, under this agreement shall be the amount specified on this agreement. The annual charge with respect to any renewal terms will be the charge in effect at the time of renewal. Customer agrees to pay the total of all charges for maintenance during the initial term and any renewal terms within 30 days of the date of WESTERN BUSINESS invoices for such charges. Customer understands the alterations or attachments of items which changes specifications may require an increase in maintenance charges and agrees to pay such charges promptly when due. In addition, if allotted meter count is surpassed prior to the contract expiration date, then an excess meter charge per copy, as indicated on this agreement, will apply to the excess meter usage. You may, at your option, simply renew your contract for a new term at the prevalent rate in effect at that time rather than paying the excess meter charge.
6. WARRANTY. Other than the obligations set forth herein, WESTERN BUSINESS disclaims any warranties, expressed or implied, including any implied warranties of merchantability, fitness for use, or fitness for a particular purpose. WESTERN BUSINESS shall not be responsible for direct, incidental or consequential damages, including but not limited to damages arising out of the use or performance of the equipment or the loss of use of the equipment.
7. TERMS. This agreement shall become effective upon receipt by WESTERN BUSINESS of the initial annual maintenance charge provided by this agreement unless other arrangements are made. In addition to any other rights under this agreement, either party may terminate at any time by giving 30 days prior written notice to the other party.
