ISSUE: Approve Heath Elementary's *Lowe's Toolbox for Education* grant application

BACKGROUND:

Heath Elementary teacher, Christopher Thornton's application to Lowes for \$2,519.70 is to purchase a storage building to be located on school grounds to store sets, decorations and other materials used for the school's stage productions. The building will also be used by students to paint backgrounds and sets. This building would also be used as a place where scenery and props could be assembled. Lowe's Toolbox for Education grant program is funded by the Lowe's Charitable Education Foundation which has supported thousands of grassroots community and school projects in the communities where Lowe's does business.
